

A worksheet for cutting out airplane tickets. The page is framed by a red dashed line. At the top, there are two 'AIRFRANCE' tickets, each with a cartoon animal passenger. The left ticket has an elephant, penguin, dog, and cat. The right ticket has a horse, crocodile, and lion. Below the tickets is a large area with horizontal dashed lines for writing. A red dashed line indicates where to cut. A red scissors icon is at the bottom right.
